Trial Draft of NIE-20 - Southeast Asia

1. This draft is strictly try-it-on-for-size. I hold no brief for it (except, of course, that it's a rather brilliant performance) but have a hunch that this sort of Jeremiad is about the only estimate you're going to get - unless State and Defense could be wrong, a thought that I should prefer to have perish.

2. If it's possible for you to meet then, I should like to discuss it in 219 South Thursday at, say, 1400.
